About the **worship bulletin covers**: For the last few weeks in WorshipArts we've been doing Zentangles, which might be described as “mindful doodling.” While we work on designs and patterns, we talk about what we've experienced during the worship service. Some of the bulletins are a collaborative effort – we asked the jr. high class to illustrate words they associate with Advent and Christmas inside the box, then the WorshipArts kids “tangled” around them. Ask one of our young worshippers about the project. They can tell you more.

WorshipArts is a time every Sunday for children in K - 5th grade to respond to worship, ask questions and learn more about the language, ritual, movement, sound and art incorporated in worship.
